Sub: Acceptance for the Extension of the MoU between AICTE and TISS for two more years

Sir,

Thank you for consideration of our request to extend the term of MoU dated 27th March 2012. This MoU has expired on 26th March 2015.

The TISS School of Vocational Education has made a considerable progress during these three years. We have initiated the process of offering Degree/Diploma and Certificate courses in 20 different Verticals. The course design is based on the guidelines prescribed by the NSQF

An extension of two years to use the remaining part of the grant will help us in consolidating the efforts so far and we will be able to offer quality vocational courses in all these verticals.

I hereby give my consent for extension of the agreement for a period of two years with effect from 27th March 2015 on the existing terms and conditions. Our team will make a presentation of the progress so far and a detailed plan of activities proposed to be conducted in the next two years.

Thanking you

Your faithfully

S. Parasuraman
